Special hand cleanser

Application range

Special hand cleanser

For the removal of strongly adhesive dirt such as paints, varnishes, resins, adhesives etc.

Application and dosage

Massage 1-2 ml into dry hands and rub until the dirt has been loosened. Gradually add water and continue washing. Rinse with plenty of water and dry carefully. In the case of stubborn dirt, repeat the washing process.

ADVANTAGES

With skin-friendly solvent

- Gentle cleansing in case of highly-adhesive dirt
- Abrasive-free
- Free of fragrances and preservatives
- Very good skin compatibility - dermatologically tested
